ABOUT RESEARCH SOLUTIONS GLOBAL

Research Solutions Global is an India based registered Organization working in the field of Higher Education and academic Research. We started our journey way back in the year 2010 by establishing a Registered Society in Haryana, India, connecting many research scholars of Haryana to address the common need of academicians and students by offering them consultancy in their research work. We are born with an intent to assist Research Scholars & Professionals in their academic research work and cover almost all subjects related to Engineering, Humanity, Arts, Social Sciences, Management and more.

We cater to a global audience, help them in their academic research work by assisting them in their thesis writing, paper writing, plagiarism removals & data analysis in any subject. Our Team consists of experts in all subjects who can provide relevant and fast solutions. This work is combined with book publications and idea patenting in line with Indian Patent system. We assist scholars publish their research work in the field of Arts, Humanity, Management, Social sciences, Engineering and computer sciences in relevant Journals (indexed in Scopus, UGC, Web of science etc) and Magazines. We are associated with many established technical institutes, colleges, Universities and research centres to promote the exchange of information and knowledge among the student's fraternity.

We also conduct International and national level Workshops, Conferences, Management Development Programs, arrange internships and other events to enhance knowledge, skills, for the development of academicians.

ABOUT THE CONFERENCE

The conference aims to provide a forum for the exchange of ideas on the Emerging Trends in Research's in the field of engineering, management, applied science and social sciences among researchers and practitioners in education institutes and industries and to seek opportunities for collaboration among the participants.
